

## *Catch the Wind (Bob Dylan)*

C Fmaj7 C Fmaj7

C Fmaj7 C Fmaj7  
In chilly hours and minutes of uncertainty I want to be

C Fmaj7 G C G  
In the warm hold of your lovin' mind

C Fmaj7 C Fmaj7  
To feel you all around me and to take your hand along the sand

C Fmaj7 G C F C  
Ah but I may as well try and catch the wind

C Fmaj7 C  
When the rain has hung the leaves with tears I want you near

Fmaj7 C Fmaj7 G C G  
To kill my fears and ... to help me leave all my blues behind.

C Fmaj7 C  
For you to love me now, t'would be the sweetest thing

Fmaj7 C Fmaj7 G C F C  
You'd make me sing, ah but I may as well try and catch the wind

Fmaj7 C F Fmaj7 G (riff)

C Fmaj7 C Fmaj7  
When sundown pales the sky I want to hide a while behind your smile

C Fmaj7 G C G  
And everywhere I look your eyes I'd see

C Fmaj7 C Fmaj7  
For standing in your heart is where I long to be and need to be

C Fmaj7 G C F C  
Ah but I may as well try and catch the wind
