

I Need You To Turn To (Elton John)

Em D G A Am Em D Em

Em D G A
You're not a ship to carry my life

Am Em D Em
You are nailed to my love, in many lonely nights

D G A
I've strayed from the cottages, and found myself here

Am Em Dsus4 D Em
Now I need your love, your love protests my fears

Em D G

And I wonder sometimes, I know I'm unkind

B7 Em D
But I need you to turn to, when I act so blind

G
And I need you to turn to, when I lose control

B7 Em Dsus4 D Em
You're my guardian angel, who keeps out the cold

Em D G A
Did you paint your smile on, well I said I knew

Am Em D Em
My reason for living, is for loving you

Em D G A
We're related in feelings, but you're high above

Am Em Dsus4 D Em
You're pure and you're gentle, with the grace of a dove

Em D G

Still I wonder sometimes, and I know I'm unkind

B7 Em D
But I need you to turn to, when I act so blind

G
And I need you to turn to, when I lose control

B7 Em Dsus4 D Em
You're my guardian angel, who keeps out the cold

Dsus4 D Em
Keeps out the cold
